

# Photon Solar Powerbank

## The Smallest and Most Efficient

The Sunslice Photon is a next generation solar charger that includes more power and more storage, in the most portable format that exists. Its elegant eco-friendly faux-leather design makes it light, robust, shockproof and water-resistant. You thought power was hard to come by. We created an all-terrain solar charger that fits in your pocket, powers your lifelines and is as simple as plug and play. The Photon charges a standard phone in only 3h in the sun.
