

# Fusion Flex 18W - Flexible Foldable Solar Panel

Flexible, Ultra Light, Unbreakable

The Fusion FLEX 18 is a 18 Watts flexible foldable solar charger, equipped with completely new, highly resistant and flexible CIGS solar cells. The CIGS solar technology has a 16.5% efficiency and is protected by a scratchproof and water-resistant ETFE coating. It can therefore be used in rough outdoor situations as it is unbreakable. The Fusion FLEX 18 integrates a double USB port junction box with charge indicator. Its foldable table (A4) size makes it a very practical and compact solar charger as it fits in any backpack and is very powerful, charging a standard phone in only 1h30.

## Technical Specifications

### Solar Panel

Solar Power	18 Watts
Technology	CIGS 16.5% Flexible Solar Cells
Output 1	USB-A 18W : 5V/2.7A
Output 2	USB-A 18W : 5V/2.7A
Output 3	/
Output 4	/
Total Max Output	18W
Solar Charging Status	1 x LED Indicator

### General Information

Weight	390g
Dimensions - Closed	288 x 200 x 3 mm
Dimensions - Open	288 x 590 x 1 mm
Attachment Points	4
Customizable	Yes

### Compatibility

note : It is recommended to charge a Gravity powerbank with the solar panel. Once the powerbank is charged, connect the device to the powerbank to charge it. Connecting the solar panel directly to the device will give bad performances

### Included

Accessories	2 x Carabiners, 2 x Elastic Bands
-------------	-----------------------------------

### Colors

Color	Black
Barcode	3133254152762
Sunslice SKU	03303

### Certifications

Certifications	CE, RoHS
